

```
1  <?php
2  class Test extends DB {
3      public function getRowsNumber() {
4          $sql = "SELECT COUNT(*) FROM users";
5          $stmt = $this->connect()->query($sql);
6          $count = $stmt->fetchColumn();
7          print $count;
8      }
9  }
10 ?>
```
